September, 2009

The Fleetwood Area School District Foundation was officially formed in 2005. We are pleased to be raising funds again this year to benefit both the academic and athletic programs of the school district. Specifically, the Foundation provides mini-grants to teachers who have submitted a proposal for a new classroom-based activity or program. Selection of mini-grants are based upon the degree to which the grant enhances classroom instruction and is consistent with district goals and policies. Athletically, the Foundation was very involved in the discussion and planning of the new district stadium and tennis courts. The Foundation provided the funds to furnish the field house.

The income from this years fundraisers will be used to continue the teacher mini-grants and to provide additional equipment for use in the new stadium.

The Foundation would like to call your attention to two upcoming fundraisers. First of all, you have an opportunity to be recognized on a "*Friends of the Stadium*" plaque. The plaque will be installed this fall on the wall of the field house recognizing those individuals who contributed to the stadium. The fee for the plaque is \$125. If you are interested, the order form is copied on the back of this letter for your use.

The Foundation is also planning a chicken dinner fundraiser at homecoming. Chicken dinners will be available to pick up at the stadium between 4:30 p.m. and 6:30 p.m. on homecoming, Saturday, October 3, 2009. This year, *Tailgaters* will be providing the dinners.

Best wishes for a successful school year. Thank you for considering a donation to support the school district's Foundation.

Sincerely,

Kelly J. McNabb
President
