FASD BUS WAIVER 2011-12 SCHOOL YEAR

As part of the district's many cost saving efforts, we are asking parents/guardians to notify the school district if your child will not be using bus transportation next school year so we can plan our bus routes and bus seats accordingly. If your child will not be using bus transportation throughout the year (due to the student driving him/herself to school, or carpooling with neighbors, etc.) please sign the form on the bottom half of this notice certifying that you are waiving your child's seat on the school bus for next year. Please note that if your child will be driving to school, it is recommended that other arrangements be made in the event of bad weather that impacts driving conditions.

Note: If your child will occasionally use the school bus, please do not sign this waiver.

Only complete and sign if your child will not use the school bus at any time during the course of the school year. Signing this waiver will result in a seat not being saved on the bus for your child and we will plan the bus routes accordingly for next school year. One form should be completed for each child who will not be using bus transportation for the school year. Should you have any questions, please call the Transportation Office at 610- 944-8111 x1204. **Please return this form to your child's current school office by 5/31/11.**

Thank you.

Sincerely,

Paul B. Eaken, Ed.D.
Superintendent
