

## Fleetwood Area School District Student Chromebook Insurance Information

As a component of our student laptop program, the District is offering insurance to families. The insurance premium for 2018-19 is \$15.00 per student with a \$25.00 deductible for damage incidents. The deductible is charged for each incident and is in addition to the insurance premium. Families who participate in the Free and Reduced Lunch Program will have the option to participate at a significantly reduced rate. Free lunch recipients can participate for free while those who receive reduced lunch can participate for \$5.00. While the premium is significantly reduced, families in the Free and Reduced lunch program will be required to pay the deductible of \$25.00 for each damage claim-

Families experiencing financial difficulties are encouraged to contact the district office (610-944-3687) to discuss additional payment options.

### Coverage includes but is not limited to:

- **Accidental Damage** – Pays for accidental damage caused by liquid spills, drops, falls and collision to the laptop.
- **Criminal or Malicious Acts of Others** – Pays for damage of the Chromebook due to a criminal or malicious act of another. The actual cost of the repair will be billed to the responsible party.

### Exclusions:

- **Intentional Damage** – The technology insurance does not cover damage that is determined to be the result of malicious or unauthorized use or treatment by the assigned user, nor does it cover the outright loss of the device or its parts (e.g. – charger). Malicious damage (*defined as deliberate, willful destruction*) is not covered under any circumstance. If the damage is determined to be malicious, parents/guardians will be responsible to pay the repair/replacement costs. The students will still be provided a device (loaner device) for use in school. **Please note- full device replacement cost is \$300.**
- **Chromebook Accessories** – sleeve and charger.

Payment of the insurance premium, if selected, is required at issuance of laptop. Insurance must be selected and the premium paid no later than October 1 or 30 days following enrollment (whichever occurs later). Parents/guardians/students must bring a check (cash is acceptable but not recommended) for \$15.00 (payable to **Fleetwood Area School District**) to school. For families with more than one student in the same school, please use a separate check for each student to pay the insurance premium. Parents/guardians are encouraged to purchase the insurance to cover claims on the Chromebook.

## Fleetwood Area School District Student Chromebook Insurance Information

### For uncollected claim costs:

Families will receive written notifications pertaining to any outstanding financial obligation. If necessary, parents will be contacted by school administration to attempt to acquire payment. Any outstanding financial obligation will result in a restriction of student privileges.

The District reserves the right for final determination of insurance claims.
