Superintendent

October 30, 2020

Good afternoon Fleetwood Families,

I am reaching out this afternoon to share that as we approach our next school closings we would like to bring our hybrid students in for face-to-face instruction on a Wednesday to make up for missing school another day in the week. Specifically, there is no school schedule on Monday, November 30th. Due to this holiday school closure, we will bring the Monday/Tuesday students in for face-to-face instruction that week on Tuesday, December 1st and Wednesday, December 2nd. Likewise, Friday, December 11th, is a scheduled in-service day, therefore, we will bring the Thursday/Friday students in for face-to-face instruction on Wednesday, December 9th and Thursday, December 10th.

Similarly, Fleetwood virtual students will have synchronous instruction on Wednesday, December 2nd and Wednesday, December 9th.

These changes are being made because we realize how important the face-to-face days are and trying to avoid losing more than necessary. Additional information will be provided by your child's building principal.

Please understand that we are deep cleaning by disinfecting the buildings every night. The cleaning that is typically being done on a Wednesday is not essential for the safety of our students. Wednesday is used for the cleaning of less essential things that are not being done nightly due to the nightly deep cleaning such as hallway floors etc.

I would also like to take this opportunity to remind everyone that if a member of your household is being tested for COVID-19, please keep your child home and call your child's building nurse to discuss the next steps. Quarantining people early in their exposure to COVID-19 is essential to be able to keep everyone safe and our buildings open.

Thank you for your continued help and support.

Sincerely,

A handwritten signature in black ink that reads "Greg M. Miller". The signature is written in a cursive style.

Greg M. Miller, Ed.D
