Summer Reading Challenge

Kindergarten

At Andrew Maier Elementary, kindergarten is starting our summer reading challenge. Our goal is for each student to read for at least 15 minutes for 60 days over the summer. A parent may read to their kindergarten child as well. After you read to your child or your child read to you for 15 minutes, color in a balloon. On Wednesday, August 23rd, the first day of school, return this completed passport to school. Remember a parent or guardian needs to sign the passport to verify it was completed.

Kindergarten students that successfully complete this summer reading challenge will receive a prize in August!

If you have any questions, please contact Dr. Zuchowski at dzuchowski@fleetwoodasd.org or at 610-926-2502 x6019.
